3. Choose and complete a project from the following list:

1. Interview a character from your book. Write at least ten questions with answers that will give the character the opportunity to discuss his/her thoughts and feelings about his/her role in the story. However you choose to present your interview is up to you.

2. Make several sketches of some of the scenes in the book and label them. If you choose this one, you need to be able to draw.

3. Imagine that you are the author of the book you have just read. Suddenly the book becomes a best seller. Write a letter to a movie producer trying to get that person interested in making your book into a movie. Explain why the story, characters, conflicts, etc., would make a good film. Suggest a filming location and the actors to play the parts. YOU MAY ONLY USE BOOKS WHICH HAVE NOT ALREADY BEEN MADE INTO MOVIES.

4. Make three posters about the book using two or more of the following media: paint, crayons, chalk, paper, ink, real materials.

5. Design a book jacket for the book. I STRONGLY suggest that you look at an actual book jacket before you attempt this. Be sure to include the title, author, a summary, at least one illustration, a list and description of the characters and at least 3 book reviews.

6. Choose five birthday gifts for one of the characters involved. Write a paragraph for each gift explaining why it is appropriate.

7. Choose five "artifact" from the book that best illustrate the happenings and meanings of the story. Write a paragraph for each artifact explaining why it is appropriate.

8. Pretend that you are going to join the characters in the story. What things will you need to pack? Think carefully, for you will be there for a week, and there is no going back home to get something! Write a detailed explanation of why you have chosen each artifact.
